

Sunbeam®

SIMPLY RELIABLE

Dear Valued Customer,

Our new garment care collection by Sunbeam® features products that provide practical solutions for everyday living; enhancing user experience and reliability that only a brand with over 100 years can provide.

It's the details that matter! Smartek selects only the most reliable products at a great value. Our new collection includes professional grade steamers and steam presses, fabric shavers, lint rollers, sewing machines, and accessories to simplify household challenges or garment projects.

You can count on Smartek to design a program to effortlessly fit your brand and business objectives while providing you with products that resonate with your specific consumers' needs. When staying competitive matters, we provide the reliable quality and value your customer's demand.

Thank you for your interest in our products.

Sincerely,

The Smartek Team
